GOVERNMENT AFFAIRS CONSULTANTS

*The City of Hickory, North Carolina hires Marlowe & Company
to assist in Washington, D.C.*

Marlowe & Company is proud to announce the addition of Hickory, North Carolina to our client list. Marlowe & Company is a full-service governmental affairs firm in Washington that has represented local governments, non-profits, and public entities since 1984. The firm currently represents over fifty clients in nine different states.

In the firm's ongoing commitment to serving the public, Hickory becomes the 21st local government client in North Carolina. Marlowe & Company will assist the City in pursuing appropriations, grants and policy objectives. This partnership has moved quickly in pursuing their first grant opportunity to address Hickory's high unemployment rate.

"We are excited about the opportunity to work with the City of Hickory. They are a prime example of a community who has specific needs and plans to address those needs. Unfortunately, they have been disproportionately affected by the movement of jobs overseas so we will be working with them to address their economic development needs," said Howard Marlowe, president of Marlowe & Company.

Since 2005, Marlowe & Company has assisted their clients in securing over \$425 million dollars to address a range of needs including economic development, green infrastructure, natural resource protection, water infrastructure, transportation and infrastructure, and law enforcement and emergency management.
